Unfortunately I have another interview at 11:30 and I'm not sure how long that will take. Would you be able to do earlier in the morning or after 3? If not, I am also available Wednesday and Thursday if you have any availability.

Thanks Aubry,

We had something unexpected come up at 2pm EST that I'm hoping to see if we can finish our interview before then. What about starting at noon or 12:30 EST? Would one of those options work for you?

Hi Aubry,

I apologize for the back and forth, but I was wondering if you might be available to meet just one hour earlier tomorrow, at 1pm EST?

Thank you so much!

Hi Aubry,

Sounds good, thank you so much for making tomorrow work in your schedule. We are looking forward to talking with you at 2pm EST! Below is the link that you will use to connect with us over video. It will probably work best if you can do so from a computer, but you should be able to use your phone as well, I think it would just have you download the RingCentral app first.

Let me know if you have any questions and we'll see you tomorrow!

Good morning Aubry,

At this time we don't have any earlier time slots than tomorrow at 2pm EST. If this time no longer works for you, we do have an option on Thursday afternoon. If you could please let me know as soon as you can if the time tomorrow will still work for you, or if we need to move to Thursday that would be great.

Thank you,

Catherine

Hey Catherine,

Any chance you would be able to "meet" for the interview tomorrow or a bit earlier on Tuesday? If not, no worries at all but I wanted to check.

Thanks so much!

Wonderful, we have you confirmed for Tuesday at 2pm EST. You will be interviewing via video with my elf and Anthony (the director of the call center) and we have the interview scheduled for about 45 minutes to an hour. I will follow-up on Monday with the link you will use to connect with us through RingCentral video (a conferencing system powered by Zoom).

Let me know if you have any questions. We look forward to meeting with you next week. Have a wonderful weekend!

Hi Aubry,

I hope you are having a good week so far. Thank you so much for completing the online assessment that I sent over. Your results look great, and the team and I would love to invite you to the next phase of the interview process, which as I mentioned will be a video interview with myself and a leader in the call center. We are working on getting these scheduled for next week.

I will reach out to you soon to confirm getting this scheduled, but are there any days or times that may work better for you?

Thank you so much,

Catherine

Hi Aubry,

Thank you so much for taking the time to talk with me earlier today regarding our Customer Service position here at World Vision. I wanted to let you know that I just initiated the online assessment that I mentioned, so you should be getting an email from the system (EASy simulation) hopefully to your inbox, but if you don't see it you may want to check your junk or clutter folder.

Let me know if you have any questions and have a wonderful weekend!
